

Dear Families:

We are excited to announce the possibility of a new school resource, PebbleGo. PebbleGo can be accessed from school, home, or even on the go—anywhere with an internet connection.

PebbleGo is a database specifically geared toward the needs of K-2 learners. It helps your student learn foundational research skills plus provides critical early-reader supports like audio voice overs and text highlighting.

But best of all, students love using PebbleGo. The easy navigation makes it inviting for students to discover new information. Features like videos and games keep them engaged and learning. And you can feel comfortable knowing that they are exploring and ad-free website bursting with resources to help your student master many skills and learn fun facts they will be so proud to share.

This is an amazing opportunity for our students to be engaged and excited about accessing learning content in a new way. It would be wonderful if you could support our students through an investment in this fundraiser. Any investment, regardless of size, would make a huge difference in bringing this resource to our students. Even if you are unable to contribute, please consider sharing the below link on social media. Thank you so much in advance on behalf of our library and classroom community for your continued support.

.....

To access the PledgeCents fundraising webpage simply type in the below URL and click the yellow invest button.

.....

Thank you again for taking the time to learn more about this amazing resource and for your continued support in our efforts to provide the very best educational opportunities for our students.
